Hi Steve - Ian Belchamber has ordered 1x 0110425 (MAX-250 with O ring) via Shopify - there's a note from you from the 21st that says you suggested the MAX-250B, so not sure if you need to speak to him, or if all okay?

He emailed me this morning, I'm just looking at alternatives for him now, can you hold that order till I speak to him.

Yes no worries 😊
