Dear Payne

I am writing on behalf of my colleague, Aqib, to request your assistance with the following information so that we can proceed with your proforma invoice:

1. Is the delivery address in Tunisia for a company or a private individual?
2. Could you please provide the contact name and telephone number at the delivery address, as this will be required by the courier company?
3. Are you reselling the items?
4. If you are reselling the items, are you aware that the invoice accompanying the goods will show the cost of the items?
5. Is this a one-off requirement, or are you likely to have regular orders?

I look forward to your reply so that we can proceed with your proforma invoice.
