Hi Aqib,

That would be great thank you.

Could you send a confirmation email stating that this device has been scrapped?

Regards,
Radeet

Hi Aqib,

I just realised that this device passed its useful life of 10 years. Its probably not worth investing in this repair.

Apologies for the late notice.

Is there a cost associated if I would like the device unrepared & returned back to me?

&

Is there a cost if I request for Viamed to Scrap the device?

Regards,
Radeet
