Merger Hytech B.V. and Technical Diving Equipment Pommec B.V.

Dear Sir/Madam,

We would like to inform you about the legal merger of Hytech B.V. and Technical Diving Equipment Pommec B.V. Both companies have been working together since January 2022 and since 15 August 2024, the legal merger is official! From now on, we are one powerful entity that operates under the name:

Hytech-Pommec B.V.

This merger marks the combination of two leading players in the industry, creating a bigger and stronger company. With our combined expertise and extensive experience, we are now even better positioned than ever before and among the top 5 in our industry! This collaboration not only brings more knowledge and innovative strength, but also strengthens our ability to meet your needs with a wide range of high-quality diving and hyperbaric technology products and services. We look forward to continuing our joint ambition to provide you with innovative solutions!

We kindly ask you to include the following information of Hytech-Pommec B.V. in your records and share this information internally with your colleagues:
