Good morning Steve, a customer in Indonesia has asked us to change HS code of 9019209000 for 0110081 - UFO 130-2 to 90269000. This is usually a no. Do you agree please? Thank you

We could use it, does come under the same general section. 🙂

Oh, that's good, is it too short?

Steve, 08:26

9026900000 🙂
