Thu, Oct 31, 2024 at 12:47 PM

Hi, please see attached POs for Prosol for Jan to March, please note the 'required on' dates and ensure that we don't invoice in the preceding month.

Thanks,
Steve

Steve Hardaker
Technical Support Manager
Viamed Ltd.

Please note: Viamed is now enacting hybrid working to allow sales and admin staff to work remotely and in the office. Telephone calls to the main office will be answered, but please continue to use email where possible.

Hi Steve,

I hope that things are going good. This is just a quick update on your current orders and a reminder that due to manufacturing lead-times, we need to look at the scheduled orders for the 1st quarter of 2025.

These are the orders that we currently have live for GOC5223:

- 0005000926 - 100x 0110365 / GOC5223 - to ship 01 Nov 2024
- 0005000927 - 100x 0110365 / GOC5223 - to ship 02 Dec 2024

If we can get some forward dated orders on the system for Jan - March, that would be great.

I look forward to hearing from you.

Best regards,

Steve Hardaker
