APPROVAL OF REQUEST

The undersigned grants Elsevier and its licensees, affiliates, successors and assigns the non-exclusive permission to reproduce (and if necessary to redraw or modify) the material listed above in this and all subsequent editions, revisions, versions, derivative works, translations, ancillaries, adaptations, supplementary materials, custom editions, and in advertising and promotion thereof, in all languages, in all formats and media now known or hereafter developed, throughout the world and in perpetuity. The undersigned rightsholder has the right to grant this permission and represents that the use of the material as set forth herein will not infringe the rights of any third party. In the event that use of the material exceeds the rights granted herein, Elsevier's sole obligation to the rightsholder shall be to pay for such additional use in accordance with the rightsholder's standard fees for such use, and the terms and conditions of this Permission Request and License shall apply to such additional uses.
