We should soon be getting an order on the website from P2i Ltd. They are buying a MaxO2+AE for trial but under the terms that they can return it within 30 days for refund if it doesn't work out. This is so they can trial it with a view to buying many more.

Can whoever processes this add a memo to the order to state: "Eligible for return for refund with 30-days".

This has been agreed by SN and DL, if you need me to Skype a screenshot of the authorisation, please ask. Thanks.
