Hi Toni,

I have spoken with our finance department and they have agreed we can send an order without receiving payment up front, as long as the value of the order does not exceed €500. Please can you let me know how many cables you would like to purchase? I will send you a quotation first just so you can double check all the details are correct before we proceed. We can then send an invoice once your order has dispatched, with 30 day terms. Is there a specific email address we should use for the invoice?

I hope this helps.

Kind regards

Sophie Lines

Good afternoon,

Thank you for your email. I can confirm the price for part number 2520000 (Microstim DB3 Patient Lead) is €20.70 EXW. If you would like to place an order, I can send you a Proforma Invoice which will include the carriage costs via UPS as well - just let me know how many you require.

Kind regards
