Hello,

We regret to inform you that there will be a delay in the delivery of your order PVM4054. Our planning team has notified us of an issue with the supply of raw materials. We are working diligently to resolve this matter and will provide you with a new shipping date as soon as possible. Thank you for your understanding and patience.

Kind Regards,

Arisa Scibor
Senior Customer Experience Specialist
Honeywell | Industrial Automation

Dear Citytech

I wrote down the wrong order number on my last email to you earlier today. The correct order number is PVM4054 that we request an estimated delivery date.
Thank you.
