Good morning Vitus,

Thank you for your email.

I have checked with our export manager and he has asked me to send you the attached information.

We have the blenders, just not the lower flow flowmeter you require.

If you require a proforma invoice or pricing for any of the items on the attached leaflet, please could you let me know which items you require?

Many thanks.

Kind regards

Kate Griffiths

Its from <https://www.biomeddevices.com/blender-models>

If maxtec doesn't have this we wouldn't mind you sourcing for us.

Will appreciate your response.
