Hi Theodore,

Thank you for confirming the date.

Your last order for the R-22MEDV did not mention then being unboxed (I mean a note from our office to our warehouse) but I think our warehouse team just did what they usually do - which is sending them unboxed. All previous orders for this sensor are unboxed.

So unless something has changed recently with your requirements, I would assume unboxed....

Kind regards

Kate Griffiths

Hi Kate,

That is a system generated date. Please ship as soon as you can.

With previous orders did we have the box for R-22MEDV?

Kind Regards,

Good afternoon Theodore,

Please could I clarify two things?

There is a date on your PO of December 18th. I realise that this may be system generated, but I have to ask if you would like this order to be shipped on Tuesday 17th for the 18th, or asap?

Also, please could I check whether boxes are required for this sensor - R-22MEDV?

Many thanks.

Kind regards

Kate Griffiths
