Betreff: Viamed 0110566 OOM109-LF2 Website Enquiry

Good Morning Dirk,

Thank you for your interest in the OOM109-LF2 Oxygen Sensors on our website. Unfortunately, we are currently unable to process orders for delivery outside of the UK through the website.

However, we can process your order directly via proforma invoice.

If this option interests you, please provide your full invoice and delivery addresses, along with the number of sensors you require, and we will aim to get this arranged for you as quickly as possible. Please note that we currently have a limited stock of these sensors, so I would appreciate it if you could confirm your order at your earliest convenience.

I look forward to hearing from you.

Kind regards

Catrin Hollings
