Hi Steve.

Hope you are well.

We are looking to replace out Max02 ME unit as it has become very temperamental.

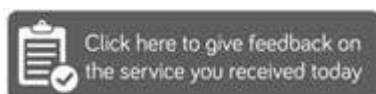

Please can you put me together a quote so we can get a PO raised. If you offer any trade in deals for our old one can you include this.

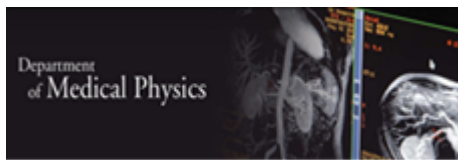

Cheers.

Lee.

Hi Lee,

There are 2 cables that have 4-pin connectors, but I think from the description that you might mean the following part:

p/n 2510104 - TOF 3D Acceleration (AMG) Transducer @ £185.00+VAT

Carriage: £12.00+VAT

Availability: 3 in stock.

[TOF 3D AMG Transducer](#)

Can you take a look and see if that looks right? If not, I have attached the accessories leaflet and price list for reference.
