Hello

Good morning

Thank you for amending your proforma

Please see below for your attached your proforma invoice detailing the prices and product you require including carriage costs.

Can you please have a look and see if all details on the proforma including addresses and are correct or if any amendments are required.

If your happy with the proforma and would like to proceed, could you please make payment of the PI amount so we can convert it to a order, you also owe us **\$110.68** from your orders in June and September as the wrong currency was paid into our bank, I have attached the statements for your account for reference.

Please can the payment of **\$110.68** be made along side the total amount for this proforma, can this payment be made as your proforma was expired before you asked to amend it, in future any expired proformas will be deleted of the system

Please let me know if I can assist with anything else.

Kind regards

Hello

Good morning

This is a quick email in regards to your attached proforma which expires in the next week.

I did email you 2 weeks ago advising the R-48V and the R-24med have both been superseded so I have used the alternatives which are backwards compatible

If you would like to proceed with it, please make payment for the total amount, you also owe us **\$110.68** from your orders in June and September as the wrong currency was paid into our bank, I have attached the statements for your account for reference.

Please can the payment of **\$110.68** be made along side this proforma.

Please let me know if you do not require this so I can update our systems.

Kind regards
