

Certified Clients and Products

Certified Client Directory

Efficiently validate the status of SGS-issued certificates.

To verify the status of a company's certificate or group of certificates, you can simply enter the certification number(s) or the company name and location, or scan the QR code, if present.

Please note: We are upgrading this directory. As a result, you may experience some disruption to service. If you are unable to verify a certificate, please [contact us](#).
