Yes we need them ASAP

We have about 30 sensors left!

I think John forgot about the Molex sensors because we ordered so many Coax which will last us over Christmas but yes hopefully we do not get too many more

Kind Regards,

Ashleen 😊

Thank you for the new purchase order Ashleen.

We normally state 4 -6 weeks for production/delivery. The sensors are specific and are made to order, we also have Christmas looming.

Is it OK to proceed with the order to produce ASAP?

Regards

Steve
