Hi Kate,

We would probably only require 2 leads so if you can tell me what the carriage is on that I can get the order sent in.

Good afternoon Simon,

Thank you for your enquiry.

The price of part number 0014851 - pulse oximetry wrap sensor is £189 each. These are currently in stock.

There would be a carriage charge, I could work this out if you require an official quotation. I would need to know how many you require.

Many thanks.

Good afternoon Shane,

The number for the part you require is 0014851, pulse oximetry wrap sensor. The price breaks are as follows:

1 = £ 180.00	2 = £ 171.00	3 = £ 162.00	11 = £ 153.00
--------------	--------------	--------------	---------------

There may be a carriage charge, it would depend upon where the order was being sent to.

Many thanks.

Kind regards

Kate Griffiths
