Hello

Good morning

Thank you for your order.

Please see below for your attached your proforma invoice detailing the prices and product you require including carriage costs.

Can you please have a look and see if all details on the proforma including addresses and are correct or if any amendments are required.

I do need to advise the R-48V and the R-24med have both been superseded so I have used the alternatives which are backwards compatible.

If your happy with the proforma and would like to proceed, could you please make payment of the PI amount so we can convert it to a order, you also owe us **\$110.68** from your orders in June and September as the wrong currency was paid into our bank, I have attached the statements for your account for reference.Please can the payment of **\$110.68** be made along side this proforma.

Please let me know if I can assist with anything else.

Kind regards
