Good morning Hassan,

We have received the PO relating to the service and functional check of your V1000, S/N: PR02940A13.

Please could I ask if you **accept the carriage charge of £12** as mentioned in the quotation? I can then complete the paperwork and the warehouse can ship your device to you.

Many thanks.

Kind regards

Kate Griffiths

Good afternoon Hassan,  
Thank you for your email.

I have generated a returns reference for you - SRS68949. Please could I ask that you use this reference on any paperwork and packaging and that you send your V1000 to the following address:

Viamed Ltd  
Service Team SRS68949  
15 Station Road  
Cross Hills  
Keighley  
West Yorkshire  
BD20 7DT

**Please could I also ask that you include a certificate of decontamination status and remove any batteries?**

An official quotation will be emailed to you after our engineers have assessed the equipment, from which you can then raise a purchase order. We would not proceed with the calibration until we have received a PO.

Kind regards
