Hi Jan

Do you have any sensor requirements for February, March? The Christmas/New Year holidays will affect production.

The current back orders are as follows:

400 x 8010004 (December batch) was originally scheduled to ship the 13th, **we can try and ship tomorrow/Wednesday.**
800 x 8010004 (January batch) scheduled to ship the 10th January.

Do you have any sensor requirements for February?
