Dear Sandra

Thank you for your email. I have made the labels for you, all you need to do now/ tomorrow is to attach a UPS label to each box, and then contact your local UPS depot to request for them to come and collect the boxes, when you contact them, let them know that you have already had the UPS labels supplied to you, if they ask for a UPS account, please state 9W9368.

Kind Regards

Dear Cathy

Have you arranged collection already? Our warehouse is already closed for today but goods can be picked up as of tomorrow morning 08:00 o'clock. Do you need weight and dimensions? Thanks.

Kind regards,

Sandra Graf
