Mr. John Lamb
Viamed Limited
15 Station Road
Cross Hills
Keighley, West Yorkshire
BD20 7DT, UK

Dear Mr. Lamb:

This letter is in regard to part number P/N 117-VM. This item is a Non-Breathing Tee Valve developed by Viamed and manufactured by Instrumentation Industries, Inc.

Viamed has specified and approved the design of this device and therefore is assumed to be the "specification developer". This is significant in that, as the specification developer, the regulatory responsibility for this part must be undertaken by Viamed. Instrumentation Industries, Inc. has no intention to market this particular part at this time.

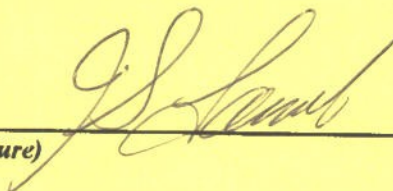

If this part is to be used as a medical device, the responsibilities of Viamed as the specification developer include, but are not limited to, complying with the requirements set forth by the relevant governing authorities.

Your signature on the next page indicates that you agree to assume any regulatory issues related to this part. Should you have any questions, you may contact me at (412) 854-1133 extension 433. The completed form can be faxed to: (412) 854-5668.

Sincerely,

Tricia Wood
Manager, Regulatory Affairs/QA

As a representative of Viamed Limited, I agree to assume the role of specification developer and undertake any regulatory responsibilities that may be associated with the Non-Rebreathing Tee Valve (part number P/N 117-VM).
