Hi Sophie,

That would be great, we have around 200 sensors for disposal, so any help with that would be great. Our address is below:

Medical Engineering  
East Lower Ground  
Heritage Building  
Queen Elizabeth Hospital  
Birmingham  
B15 2TH

In regards ordering, I will need to get authorisation from the users but will most likely order the complete amount of 65, then if you can dispatch them as and when you have them in stock.

Many Thanks

Dear Karl,

Thank you for your email. I can confirm the price breaks for part number 0110435 (MAX-250TM Oxygen Sensor) are as follows:

1 unit - £100.90  
2 units - £98.40  
3-10 units - £95.90  
**11 or more units - £90.90**

**We would recommend ordering in batches of 11 or more in order to achieve the best price. We currently have 12 available in stock if you would like to place an initial order for these?**

With regards to your used sensors, I will arrange for a few sensor disposal bags to be posted out to you - please can you let me know the best address to send them to?

Kind regards

Sophie Lines

Hi Sophie,

Can I get a price please for R125P18-012 Max-250TM please?

I will be looking at ordering around 65 of these.

Also we have lots of used cells (Mainly this cell plus others), are we able to return to these to you for disposal?

Many Thanks
