Hi,

As you require us to ship to the UK, **we need to charge you VAT at 20%**. This is non negotiable, I have checked with our accounts department. **I would also need you to pay £12 carriage**.

In order to proceed, I need to amend your proforma invoice and re-send it to you. You would then need to pay the difference between the updated proforma invoice and old proforma invoice.

Would you like me to proceed with amending the proforma invoice to show VAT and £12 carriage?

Due to the changes I need to make and that after today the office will be closed for a national holiday, we would not be able to ship until after Christmas/into January 2025.

Kind regards

Kate Griffiths
