Hi Ryan,

Due to increased sales and demands we will need to adjust the Call off orders as follows:

- Frame Order (815 Sampling Lines) – Increase from 20 boxes to 40 boxes from February to September.
- Frame Order (821 Sampling Lines) – Increase from 10 boxes to 20 boxes from February to September.

Do you want a PO for the extra qty from February to September? If so, I can prepare tomorrow.

I will also be raising a new Frame Order tomorrow for 816 Sampling Lines – 20 x boxes a month from February to September.

As per our discussion at Medica 😊

Hi Robert, we are aiming to ship before, I would expect them to be in your possession on or before the 31st.

Best regards

Hi Robert

I hope you're well.

We're currently experiencing some server issues, which means I have limited access to order and stock information. Please bear with me if I don't have the exact figures.

From what I can see, you are expecting 17+20 x 4420815 in January and 20x in February. We anticipate having stock ready to ship during the last week of January. Would you like us to combine your February shipment with the January one?

Best regards

Ryan
