

Hi Jenny,

We have plenty in stock, please could you provide me with an order number for the additional 50? The part number you quoted is wrong, but I understand that you mean 50x R-22AVG:

- 50x 0110182 - Oxygen sensor R-22AVG (Premier Diagnostics order number TBA)

Also, please can you confirm that you require the increase to all 4 outstanding orders as detailed below:

- Viamed ref CVM153212 - Due date 03 Feb 2025 - Premier Diagnostics Order ref 2122-3 - Increase to 150
- Viamed ref CVM153215 - Due date 03 Mar 2025 - Premier Diagnostics Order ref 2122-4 - Increase to 150
- Viamed ref CVM153216 - Due date 03 Apr 2025 - Premier Diagnostics Ltd 2122-5 - Increase to 150
- Viamed ref CVM153217 - Due date 01 May 2025 - Premier Diagnostics Ltd 2122-6 - Increase to 150

We have missed the order cut-off for today, but if you can get back to me with an order number ASAP, we may be able to get the top-up order out to you tomorrow or Wednesday at the latest.

Best regards,

Steve Hardaker
Technical Support Manager
Viamed Ltd.

Please note: Viamed is now enacting hybrid working to allow sales and admin staff to work remotely and in the office. Telephone calls to the main office will be answered, but please continue to use email where possible.
