Hi Kate,

We forgot to mentioned to give us approx. freight charges or even thru Courier and other charges and give us the lead time of delivery.

Thank You & Best Regards,

**Ojie Miranda**

Dear Kate,

Thank you so much for your reply.. It seems the parts does not need SFDA registration as we previously purchase also thru middle man and no any problem..anyhow ,we will still check, as it maybe different way in purchasing thru middleman. Concerning the connector , we can fix it here as long as you would supply the connector.. We encountered the same issue last 2023 receiving without connector thru middleman and the same Mr. Ryan mentioned it that he could supply the connector along with the sensors once we have order..

We will come back to you soon once we confirm the regularities .

Thanks & Best Regards,

Ojie Miranda

Subject: Re: Request for quote

Good afternoon Ojie,

Thank you for your email.

Please accept my reply on behalf of Ryan.

Please could I first mention that we do not have SFDA registration.

Due to restrictions imposed by standards, we can no longer supply this sensor variant *with the connector fitted*.

However, we can supply the components:

0110432 MAX-250(B) oxygen sensor with unterminated leads \$60.10 each EXW

0131527 3 pole connector \$5.80 each EXW

If you require a proforma invoice, detailing carriage charges, insurance and bank charges, I would need your invoice and delivery addresses.

Many thanks.

Kind regards

Kate Griffiths

Good morning Ojie,

Thank you for your reply.

Please see attached quotation. I am unable to obtain a price through the courier we use - UPS - due to the delivery address being Saudi Arabia. I have added approximate weights and dimensions. **You would need to arrange your own courier.**

Please let me know if you require any changes to be made, eg. addresses.

If you would prefer a proforma invoice, please let me know.

Kind regards

Kate Griffiths
