Good afternoon,

I am emailing regarding your order 200504653. We are currently low on stock of the R-30V Oxygen Sensors - please can you let me know if you would be happy to accept a part shipment of your order, and if so, how many of the R-30V sensors would you be able to manage with for now?

We would expect the lead time for the remaining sensors to be approximately 4 weeks.

I look forward to hearing from you.

Kind regards

Sophie Lines
