Hello

Good morning

Thank you for your order.

We do not supply a R-46V, can you clarify if that is the correct sensor you require or send me a picture.

I also need to advise the R-48V has been superseded and the alternative is the Oxygen Sensor OOM113 (0110579), our current price is **\$40.00** each I will attach some further information on the alternative below.

Please let me know if I should proceed with the alternative.

Kind regards
