Hi Cathy,

Can you go ahead and fulfil the 2 outstanding orders and add 20 from the February drop for PO1360 in the shipment to Anstruther. You can complete the outstanding 20 boxes for February when you get the next delivery hopefully early March (40 +20)

Thanks

Robert

Dear Mr Barr

Good Morning.

We have some stock of P/N 4420815 which we aim to ship this week. As we have had a few orders from yourself, and have asked for part shipments, I am just checking with you as to which orders you would like me to ship.

We have 58 units becoming available.

PO-1649 there is 17 x 4420815 outstanding on this order part shipped 3 boxes on 08/01/2025

PO-1360-4 there are 20 x 4420815 on this order. This order is dated for January delivery.

If I am to ship these orders, then we would not be able to fulfil February's order, more stock will hopefully be here in March.

Please advise how you would like me to proceed.

Kind regards

Cathy Green
