

Helen, Had a simon fry on phone from St Woolos

saying he has not received his order,
CVM154057

He said the tracking is a load of rubbish as we don't have anybody here called Dave and have checked the mail room and there is nothing there

Today

put a foc order on same order number then let him know if the original one turns up to please return it. Say - We would normally trust UPS but as a sign of goodwill we will replace these free of charge.
