Fwd: 2003I AIR/OXYGEN BLENDER DUE SERVICE

Steve Hardaker <steve.hardaker@viamed.co.uk>

23 January 2025 at 11:55

To: office@vmsecure.me.uk

Please can prepare a quote for Owen Daniels at Royal Albert Edward Infirmary for 3x overhaul services for IHC blenders.

3x 0380019 - Blender Overhaul Service Return to base @ £390.00+VAT

4x PPUPS1 Carriage @ £12.00+VAT

Add a memo to this carriage line stating that additional carriage charge is for the pre-shipping of a service loan unit, ref SOR972.

I'll send this quote. If you have any questions at all, please ask.

Thanks,
Steve H

Hi Steve,

Thanks for the price breakdown, the ward just wanted to explore their options that's all.

We will proceed with overhaul service, did Febin manage to get the paperwork over to you to allow for a loan unit to be sent to us?

Kind regards,

Subject: Re: 2003I AIR/OXYGEN BLENDER DUE SERVICE

Hi Owen,

The blender is available as a standalone blender block as a replacement for an existing blender, or as a kit complete with hoses, flowmeter and a mounting clamp for a new set-up.

The pricing is as follows. Please note that the prices are increasing on 2nd Feb.

p/n 0310200 - Low Flow Air / Oxygen Blender, 0 - 30 lpm. (Kit complete with hoses and flowmeter) @ £1,235.60+VAT (rising to £1,267.80+VAT 2/2/25)

p/n 0310201 - Low Flow Air / Oxygen Blender, 0 - 30 lpm (Blender only) @ £1,095.20+VAT (rising to £1,123.70+VAT 2/2/25)

Carriage: £12.00+VAT

The overhaul service costs as of 2nd February are as follows:

p/n 0380019 - Blender Overhaul Service Return to base @ £390.00+VAT

Carriage: £12.00+VAT

If you are wanting to take a blender on service loan, I will need to add an additional carriage charge to the quote in order to get the loan unit out to you. Can you confirm if that is the way you want to proceed? Or are you looking at

another blender to use as a spare to allow replacement during servicing?

Once we know how you want to handle the servicing, I will get a quotation prepared and sent out to you.

Best regards,

Hi Steve,

No need to apologise, thanks for that, you don't happen to have a price breakdown of a new unit compared to the full overhaul service also.

Hi Owen,

Sorry for the delay in getting back to you. All of our service loan blenders were out on loan but I have managed to get one freed up, unfortunately it will be quite some time before we can free up any more, so we'll just have to do the blenders one at a time.

In order to get this out to you, I just need someone from the Trust to sign the loan paperwork, this ensures that the blender is covered by the Master Indemnity Agreement and can be used clinically.

Please could you or one of your colleagues complete and return the form to me, a picture sent by email is sufficient, thanks.

Once we have the paperwork in place, I will send the blender out to you.

Have a good weekend.
