Hello Ryan,

Would it be possible to get them earlier?

We need the first batch in the middle of February.

And we need the second batch is about at the end of April.

Looking forward to your early reply.

And please note that our Chinese New Year holiday is from 24 January to 6 February. If you have any problem during this period, please leave message to us, we will return to work on 7 February.

Best Regards,
Tracy

Hi Tracy

Thank you very much.

I can confirm that we can offer you the special prices once again for the R-23V sensors.

1st delivery: We can aim for March

2nd delivery: We can plan this for the end of June or before, but we would need an idea of when you will require them in order to plan production. If we add June for the time being, would that be okay?

Best regards

Ryan
