Subject: Please drop me an actualized proforma

To: office@viamed.co.uk <office@viamed.co.uk>

Good afternoon,

in December 2023 you have dropped me your proforma MVM147198. That one didn't work out as an order – but the US Army is knocking now again at our door and would like to have an updated price quote from me.

I would appreciate if you could mail me a fresh proforma for one each Maxtec MaxO2+AE, your part-nbr 0111261; Maxtec part-nbr R217P72.

Thank you so much.

Kind Regards,

Gerold Diessenbacher
