Hi Raj,

The latest distributor pricing is as follows, all prices are excluding VAT and carriage at £12.00+VAT

I should point out that these prices have been in place for around 2 years, and we are planning a price increase in the near future but I've not been advised of a specific date as yet.

0110157 - Viamed Oxygen sensor R-17A-LVG

1-24: £24.10
25-49: £21.90
50-99: £20.60
100+: £19.90

0110182 - Viamed Oxygen sensor R-22AVG

1-24: £21.75
25-49: £20.50
50-99: £19.25
100+: £17.95

0110122 - Teledyne Oxygen sensor R-22A

1-24: £26.90
25+: £24.20

0110132 - Teledyne Oxygen sensor R-22AV

1-24: £26.90
25+: £24.20

Note that the Teledyne sensors don't have the high price breaks, this is due to the tighter margins and Teledyne's higher pricing.
