Good afternoon Ashley,

I have checked with Steve Nixon and he confirms that we have **one available** of either the IRMA (4420507) or the capnograph including the IRMA (4410530).

The pricing is as follows:

4420507 - IRMA CO2 analyzer with Lemo connector £905, plus £12 carriage, plus VAT

4410530 - Capnograph VM-2500-M Veterinary version £1,616.00, plus £12 carriage, plus VAT.

The lead time is approximately two weeks.

Kind regards

Kate Griffiths

Morning!

Hope you are having a great start to the week.

I'm hoping you can help me, I know mike has been in contact recently regarding the availability of an IRMA or VM2500M. Unfortunately I cant find the email trail and Mike is out of office today.

I have a client who is desperate for a replacement IRMA or full new kit. Could you please let me know if either are available at this time?

Kind regards

Ashley
