Dear Mr. Grzegorz Nadolny

Thank you for taking the time to visit us at Medica; it was a pleasure to meet you.

Further to our conversation, please find attached some information about our V1000 foetal heart simulator. I understand that you are already active in the market for supplying test equipment, so I believe this would be a great addition to your portfolio.

Please do not hesitate to contact me if you have any questions.

I look forward to hearing from you.

Kind regards
Ryan
