Hi Steve,

I hope you had a great weekend?

Could I ask if you have 3 more Max-250(B) in stock that we could have delivered to us for tomorrow? If you can ask for the pro-forma be raised to cover I can get this paid straight away.

Many thanks
Charlie

Hi Charlie,

Thanks for the confirmation, I have forwarded it to Helen in Accounts.

I look forward to working with you going forward. On that note, if and when the sensor proves itself in your application, what kind of numbers do you anticipate to support your incubators?

Best regards,
