Dear Michael,

Thank you for your reply.

Sorry for the delayed answer due to the fact that I was on business trip.

Regarding the quantity I would like to have 14 kits with auto switch off.

I would like to ask if it was possible to have a quantity discount in additional so that we can help us to achieve fleet orders.

Also I would like to have one (1) spare yellow connection spiral wire and at least one (1) plastic blue adaptor.

Thanking you in advance and awaiting for your OC I remain.

With kind regards,

George Chr. Iliadis
