Hi Kate,

Lets see what happens if we don't supply the bracket this time.

Please disregard the note on the system this time

Thank you for checking though.

Kind regards

Mike

Good morning Mike,

Thank you for your order.

There is a memo against your account to say:

"Nikki has requested for all Capnographs to be supplied with a mounting plate (part number 4420601). Always check with Mike first if they require these before adding them to the order. Still valid 15.3.21 as per Mike Brampton. KG"

**Do you require a mounting plate at the price of £12.80?** If this is required, I will ask for this to be fitted to the unit. This will stop the screw blocker being damaged.

I await your reply.

Many thanks.

Kind regards

Kate Griffiths

Hi Kate,

Following my chat with Steve earlier today, he said he was going to confirm a delivery date but hey, here is the order.

We may be increasing this to two units in the next couple of days.

Kind regards
