Good afternoon,

Thank you for your purchase order, this is on hold due to a pricing difference.

We sent a email out in January stating Viamed would be updating prices, effective as of 3rd February.

1114005 =- £ 56.70
1114006- = £ 56.70
1114007- = £ 56.70

This order also has a carriage charge of £10.

Please could you let me know how you would like me to proceed

Kind regards

Good Morning Emily,

Thank you for your email.

Our Trusts have recently transitioned to a new procurement system, and due to a system limitation, we are unable to make any amendments to orders at this time.

@Benjamin Coles, please see the below notification regarding your order and kindly advise if you accept the discrepancy detailed below.

Due to the system limitation, we are kindly asking suppliers to accept written approval to progress the order. I have notified my colleagues of the discrepancy and your catalogue will be updated with the correct price in due course for future orders.

If the supplier unable to accept approval this way, @Benjamin Coles the order will need to be cancelled and re-raised via the non-catalogue item request (NCIR) route, ensuring both the finance team and the supplier are made aware of the cancellation so they can replicate this on their system.

Warm Regards,

Hollie Churcher
