Dear Zoey Teal ,

I received the module you sent me very well. I also did well in the test. I'm developing and I need a plug to connect the sensor. "SpO2 sensor plug- 6pin minimed [ Order number(REF) 5020660002] 20EA"

And I need the sensor "[SF7500VM 0014651] 1EA".

Please proceed with the process of estimating and proceeding with this.

I appreciate it.
