Dear Ryan,

Thanks for the product datasheet.

Is it possible to get any letter confirming that the offered model is manufactured for Hamilton G5 Ventilator and compatible with original part# 396008?

Also, good if you can provide us an estimated shipping cost to Qatar.

Dear Sibily

Thank you very much for your email.

The sensor you require is as follows:

0110049 Oxygen sensor R-49V = USD \$37.75 each EXW

Manufactured by Honeywell for Viamed

Country of Origin: Germany

We have stock available, but for a single delivery of 150 pieces we would have them made to order which would have a lead time of approximately 6 weeks from receipt of payment against proforma invoice.

Please let me know if you have any questions.

Kind regards

Ryan

Dear Mr Ryan Swaine

We really appreciate your effort in sending the quotation to us. The date for sample submission is very near so that we cannot do this time. It took lot of time to reach you this time.

We will contact you for future enquiries.

Please send your list of Products you deal with, so next time we can reach earlier.

Expect to hear from you soon.
