

I would say they can have 1 x 1114005 and 1 x 1114006 free. Do you agree?

Hi Kate, I agree, but it would be best to let them know about the offer first, as they are likely to change it. do you want to email them, I can give you the text of you wish?

We have just found out that Maxtec is running the same promotion as before. To simplify things, we would like to offer you the same deal as in November:

Maxtec will provide 10 boxes of EyeMax free of charge for every 100 boxes of the same type purchased.

To align with this, we are also extending a slightly enhanced offer:

Order 10 boxes and receive 1 additional box of the same type free of charge.

This offer is available until 21st March 2025.
