Dear Allan,

Thank you for your order. The Oxygen Sensor you have ordered is for medical use only and not applicable for automotive use.

If you could please let me know the equipment you are using, we would be happy to check our cross reference and advise which sensor from our automotive range would be suitable for you?

I look forward to hearing from you.

Kind regards

Sophie Lines

Viamed is now enacting hybrid working to allow sales and admin staff to work remotely and in the office. Telephone calls to the main office will be answered, but please continue to use email where possible.
