Dear Twan

Thank you very much for your enquiry.

We would be very happy to extend to you our dealer pricing and I am pleased to inform you that we do not impose any minimum order quantities.

Please find attached some product information, our dealer pricing and a quotation for 1x R-17VAN and 1x R-33DE sensor.

Please let me know if you have any questions. If you would like to proceed with the order, then you can make your payment to the bank details listed at the bottom of the invoice or I can send you a link if you would prefer to make a card payment.

I look forward to your response.

Kind regards
Ryan

Hi,

I have had a diving center in Breda since 2008. I have recently been receiving questions about whether I can supply O2 sensors, specifically the R-17VAN Oxygen Sensor (0110217) and the R-33DE Oxygen Sensor (0110224)

Can you send this to us at the dealer's price? to start with 1 piece of each
