Greetings Sophie.

I'm interested in purchasing 5 pcs of oxygen sensors for Vg70 ventilator -  
Part number 0110021 (R-22MEDV).

Can I please get the price quote and access to make the payment?

Thanks

Second Base Investment Nigeria limited.

Good morning,

Thank you for your email. I spoke to you on the phone earlier, and you mentioned you first contacted Janine - unfortunately, Janine no longer works for Viamed Ltd. [Orders@viamed.co.uk](mailto:Orders@viamed.co.uk) is now the correct email to contact.

I can confirm our compatible sensor for the S+VOX Oxygen Sensor is our part number 0110021 (R-22MEDV):
