Hi,

Please can someone raise a quote for Hammersmith Hospital for a Maxtec UltraMax O2 monitor, 0111265.

If you can send it back to me, I will send it to the customer as I want to clarify something with them about its use and limitations.

Thanks,
Steve H

Dear Steve,

Thank you for your email.

We intend to use the UltraMax O2 device to determine gas flow as part of our pre-bypass checks. We still have the MaxO2 ME in our perfusion gas lines.

Could you kindly provide us with a formal quote for one UltraMax O2 device?

Thank you.

Kind regards,

Dennis
