Good afternoon,

Thank you for your reply. Please find attached your Proforma Invoice for the items requested, including delivery to you in Canada via our Courier UPS.

Please check the document and let me know if you require any changes? If you are happy to proceed, our payment details can be found at the bottom of the invoice.

If you require any further information please do not hesitate to contact me.

Kind regards

Good morning,

Thank you for your email. I can confirm we are able to supply these parts, however we do not have any Canadian registration or accreditation, so you may have difficulties importing the goods. Please let me know if you would still like me to put together a quotation for you, including delivery costs via UPS?

Kind regards

Sophie Lines
